

8x8 Garden in a Box Greenhouse Cover Assembly Manual

Thank you for purchasing a
8x8 Garden in a Box Greenhouse
Cover. Please take the time to identify
all the parts prior to assembly.

Version #2.0
July 19, 2019

In colder climates, please remove your Garden in a Box
Plastic Cover during the winter months and store in
included bag in a dry warm location.

Do not leave cover on during any large snow storms or
extreme weather phenomenon such as hurricanes,
tornadoes or heavy wind storms.

Cover can easily be taken off in minutes if such weather
patterns are forecast in your area.

We recommend once a year in the early spring to check
that all fasteners are snug and to tighten if loose.

Plastic cover can be cleaned with a mild soap and a cloth.
