6' Gambrel Barn Value Shed

With double doors on the end wall, our Gambrel Barn is very similar to a traditional shed design, but with a slightly different roof-line which gives you a little more head-room. This classic style is ideal for storing lawn tractors and other equipment. Side-walls are available in both 4' and 6' heights to meet your personal needs.

Wood Value 6' Gambrel Barn Kit Information Available in 17 sizes
